

Hello Ethos Families,

The semester is already halfway through, with some ISDs currently on spring break and others back on their regular schedule. Looking back at February, we want to thank all of the performers who took part in our Studio Recitals. The casual, Schubertiade-style format has been a great warm-up for the more formal Ethos Spring Recitals coming up in April.

Ethos remains open during Spring Break. If you plan on traveling, please contact your teacher to arrange a possible makeup lesson. We hope everyone enjoys a well-deserved break and returns to Ethos refreshed and ready for our upcoming events — Studio Classes and the Ethos Spring Recitals.

Upcoming at Ethos

Ethos Spring Recital

After having many of our students perform in the Studio Recitals this past weekend, we are now gearing up for our biannual recital weekend, bringing together students from across the entire school.

This spring's recital weekend will take place April 10–12. Detailed information about registration and time slot selection will be sent by the end of the week.

Sincerely,
The Ethos Team
